## **Minutes of previous meeting:**

Minutes of previous meeting were read silently by each person.

## **Treasurer's report:**

Total funds available as at 17/6/13 are \$1,655.58.

## **Principal's report:**

Money raised from the Adidas Fun Run was \$1440.84.

School reports will go out on Thursday 27 June.

A Science Day was had where students enjoyed doing a number of experiments.

The 'Norcow' has been placed in the front garden of the school and looks great.

Katrina is currently on sick leave. She has to be off her feet (and hence off teaching) for six weeks which includes the first two weeks of term 3.

The \$2000 grant from the Live Life Well school program is to be put towards purchasing chooks and a chook pen for the school garden, a stove/oven to replace the existing one, and anything else is still to be decided.

Graham will be away for the Rugby Carnival on 20-22 August.

Graham has looked into the question of the effects of wireless radiation. This research included medical reports. At present there is no conclusive evidence of issues relating to wireless radiation.

**Other Business:**

We discussed fundraising ideas. We are hoping for a Bunnings stall later in the year. A table/stall at the school for the federal election will be arranged. Discussed having a raffle where the prizes could be donated either by families or by approaching local businesses. If this is organised by the school (rather than P&C) then the money raised by students could come off their Lake Ainsworth excursion?

Darran Upton, the prac student who helped out with 3-6K, will be back again from 5-30 August to do his final internship.

**Correspondence:**

Information on NEITA Awards – nominate an inspirational teacher awards. Closing date is July 31.

P&C Journal – we have five copies of this magazine for whoever would like one.

**Next meeting::**

The next meeting will take place on Monday 22 July 2013 at 3.15pm.

Meeting closed at 4.15pm.
