14 Aug Mid Term Assembly
19 Aug MNC Athletics
22 Aug KiK K-2M

P&C Meeting

Our next meeting will be on Monday, 22nd July at 3.15pm. We have been successful in obtaining the 22nd September as a fundraiser day at Bunnings.

Woolworths Earn & Learn Program

A big THANK YOU to families for supporting Woolworths Earn & Learn. We have gained 2760 points which will go towards equipment for our school.

Fresh For Kids

The Canteen Campaign challenges schools from New South Wales and the Australian Capital Territory to eat more fruit and vegetables. As we don't have a canteen we will give one sticker per day to each child who eats fruit or vegetables at school. These stickers then go on form and when you have 4 stickers on your form you hand it to your teacher and receive a pen (while stocks last). The campaign goes from **Mon 29 July until Friday 20 September** (last day of term) when all the forms are sent away and your forms go into the draw for a chance to win a Home Entertainment Pack including LCD TV, Blu-ray player and a DVD. There are also iPad minis and 'Escape from Planet Earth' DVD's to be won.

Dear Parents and Community Members,

Welcome back to Term 3 at Raleigh Public School

Our school newsletter quiz will begin again this week when a family is randomly selected to a call on Wednesdays from 6-6.30pm and asked to answer a question from our newsletter. 100% success to questions has been achieved this year with recipients receiving an ice block on the Thursday following.

Active After School Communities

AASC new activities will begin next Monday, 22nd July with K-2M learning T ball skills and 3-6K beginning orienteering. On Friday K-2M will be participating in mini Athletics and 3-6K Cricket.

Kids In The Kitchen

KiK will commence on Thursday, 8th August and be held fortnightly through the term. Payment of \$3 for KiK should be made by the Tuesday so that ordering can be finalised. A form will be sent home for families who would like to pay \$12 per child for the term.

Blake working hard in our garden.

"Raleigh Public School excellent technology programs equip and challenge students."
