Dear Parents and Community Members,

### Active After School Communities

With the launch of the new term, we are excited to have the CALCULATOR now available for students to redeem. Also, there is still stock available for the Term 1/Term 2 items. This includes the handball, wallet and knuckles game.

Finally, our term 2 competition has now closed and I know you are all as excited as I am to find out who the winners are. As per the terms and conditions, the winners will be drawn on Tuesday 23 July and I will notify you shortly afterwards. We were thrilled with the level of involvement in the competition with over 55% of all school bankers eligible to win the prize!

*Free parenting course for families with children aged 3-8 years.*

**TRIPLE P courses** highlight the importance of good communication between parents and children, and suggest simple routines and small changes that help make big differences.

Parents learn to understand how their family works and how to use the things they already say, think and feel in new ways. This helps to:

- Create a stable supportive and harmonious family;
- Encourage positive behaviour from children;
- Build positive relationships with children;
- Establish ways to plan ahead to avoid or manage potentially difficult situations;
- Find suitable solutions for parents to take care of themselves while balancing work and family responsibilities.

Sign up today to find practical answers to your everyday parenting concerns, and learn how to raise happy, healthy children.

Triple P is available free to all families with children aged 3-8 years.
