Fruit and Egg Sales

Thank you to Amanda Lockman, who has been taking our produce to sell and help supplement our Kids in the Kitchen Funds. She has taken our citrus fruit to the 'Bellingen Green Grocer' and some of our eggs to sell at the Bellingen Library.

Dear Parents and Community Members,

Welcome Back!

I hope everyone had a safe and relaxing holiday. There are many exciting things happening this term including our four Kinder Orientation sessions and School Swimming Scheme. Before we know it, we will have our End of Year celebrations and we will be farewelling our Year Six students.

Bessie!

Bessie also had an exciting and fun holiday. She went for a little trip in the back of the ute to Hickey's Smash Repairs at Urunga. She now has a spectacular shiny coat and looks fantastic back in her garden at the entrance to the school. Thank you to Dawn and Amanda for helping transport her in the holidays. A big thank you to Wayne and the boys at Hickey's Smash Repairs who donated their equipment and resources to give her a strong coat so that she will last many years for us to enjoy!

Milo Cricket

On the second last day of term, the students in 3-6M joined the students from Orama Public to play Milo Cricket with many other schools from the Valley. This was great fun and had the students involved and enthusiastic all day.

GARAGE SALE TRAIL COMING UP

Saturday 25 October 2014

Garage Sale Trail is a national program that's about sustainability, community, commerce and fun! Communities around Australia are organising garage sales on the same day to promote reuse, reduce waste to landfill, enable new neighbourly connections, provide a platform for fundraising, inspire creativity and stimulate local economies. Now in its fourth year, Garage Sale Trail is a not-for-profit mission that works hand in hand with government to inspire social and environmental change. Last year, 1.5 million items were listed for reuse (that's an average of 8 shopping trollies redistributed per sale), and over 230,000 new community connections were made (13 new connections per participant). This year's event will be the biggest national community and sustainability event Australia has ever seen! Garage Sale Trail is for buyers, sellers, makers and creators. Absolutely everyone can get involved.
