27 Jun	Last day of Term 2
14 Jul	Staff Return, Pupil Free Day

Coffs Harbour Eisteddfod

I would like to congratulate our students on their effort and performances at the Coffs Harbour Eisteddfod yesterday and today. On Monday our 3-6 students competed against some of the larger schools in the district. They sang beautifully and were awarded a **Highly Commended** Award and Ribbon. Today students in Years 2 to 6, competed in the Small Schools choir section and won **First Place**. Mei, Mr King and I were all very proud of their performance. Congratulations to all of the students involved and thank you to the parents who helped transport students.

Dear Parents and Community Members,

Bellingen Show

On Saturday, our Raleigh School Choir performed at the Bellingen Show. The students did a beautiful job of representing our school and showing the Bellingen community some of the wonderful things that we do at Raleigh.

The students chose artwork that they had completed during Term 1 and 2 and this was then taken to the show and displayed beautifully by some of our mums. Thank you to Joanne, Charmaine and Teresa for giving up their time to create a display of the fantastic things we do at Raleigh!

Small Schools Soccer Knockout

The students in 3-6M will be travelling to Urunga Junior Soccer fields on Monday the 2nd June. They will be playing round one of the Knockout against Stuarts Point Public School. All notes and the \$2 per child must be returned to school by tomorrow, Wednesday 28th May. We wish them all the best in the game.

KiK with K-2D

What a lot of fun the students had when making pumpkin pies. Much to their surprise they found them quite yummy! See recipe over page.

Scholastic Book Club due 13th June.

Reports and Parent- Teacher Interviews

Over the next few weeks the teachers will be assessing students across all KLA's and writing Semester 1 reports. These reports will be handed out on Friday 20th June. In the coming weeks we will be sending out Parent- Teacher Interview slips. These need to be returned as quickly as possible to ensure your preferred times can be met. The K-2D interviews will be held on Monday the 23rd June from 12:30 – 3pm and 3-6M on Thursday 26th June from 9.30am till 1pm. Please keep an eye out for this note.

Open Roast Pumpkin and Ricotta

350g pumpkin, peeled, cut into 1cm cubes
2 teaspoons olive oil
3 sheets frozen puff pastry, thawed
2 eggs
100ml light thickened cream
100g low-fat ricotta/ 1 teaspoon in each pie

Method

Preheat oven to 200°C. Grease two 12-hole muffin pans. Place pumpkin on baking paper. Drizzle with oil and season. Roast for 20 minutes or until cooked. Cut 20 rounds from the pastry sheets using a 6.5cm cutter. Press into muffin holes to cover base and a little of the sides. Whisk the eggs and cream together. Divide pumpkin among the rounds, top with 1 teaspoon of egg mixture, then place 1 teaspoon full of ricotta in each pie. Bake for 15-20mins until golden. Cool slightly, then turn out.

50 Nights Reading

Congratulations to **Thalia** who has read for 50 nights.
Well done!

National Data Collection

Schools across Australia are taking part in a national data collection on school students with disabilities. This data has been collected from schools in Australia since 2013. The aim of the collection is to have correct and up to date information about school students with disabilities. This information assists principals and teachers support these students. This week, students have been handed a letter giving more information about the data collection. If you do not want your child to be counted in the data collection, you must complete the paperwork and return it to school before the end of Term 2.

Online Auction

The Mid North Coast Local Health District holds an annual Health Innovation Awards to acknowledge creative projects that demonstrate and foster a strong commitment to improving health outcomes for patients who live on the Mid North Coast of NSW. A number of items have been generously donated towards an online auction which will raise additional funds to assist in rolling out suitable innovative projects across the Health District.

The auction website is:
