### Premier's Sporting Challenge

During the last six weeks of Term 2 and the first four weeks of Term 3 all our students and staff have been participating in the Premier's Sporting Challenge. This challenge has aimed to increase physical activity of our students and staff. This has been a great experience and many participants have made a conscious effort to increase their regular physical activity. Our results have been logged and later in the year we will receive certificates to recognise our achievements. Well done to all of the students and staff for their effort and achievements.

Dear Parents and Community Members,

### Congratulations Jacob

Jacob came 4<sup>th</sup> in the 11 years Boys High Jump at the Mid North Coast Athletics Carnival on Friday. Well done Jacob!

### Camp Creative Scholarship

Over the past few weeks students have been writing applications for our Camp Creative Scholarship. This Scholarship is provided by Camp Creative to allow a student from Raleigh Public School to attend one of the many fantastic workshops they offer in January 2015. All applications were well thought out and after careful consideration by our staff we have decided to offer the 2015 scholarship to Pursia. Pursia will complete her application form for the Musical Adventure workshop. Congratulations Pursia, we hope you enjoy this fantastic opportunity.

### Father's Day Stall

On Friday 5<sup>th</sup> September we will be running our annual Father's Day stall. The school has purchased a variety of small gifts which can be purchased for \$2 each. For those students who would like to purchase a small gift for their Dad or Grandfather they can bring in their \$2 prior to the stall day. We have enough gifts purchased for one gift per child, with some extras for those students who want more than one gift. Please put the money in an envelope labelled clearly with your child's name, Father's Day and how much money is enclosed. Money envelopes have been attached.

*"Raleigh Public School has talented and dedicated teachers who work with students to realise their potential."*
