Kids in the Kitchen

Well done to all of the students who have paid for KiK this Thursday. We are looking forward to working in our cooking teams and making delicious Rainbow wraps.

Teacher Professional Learning

During this fortnight there has been a variety of training that staff have been completing as professional learning.

Monday afternoon all staff completed face-to-face Anaphylaxis training. This training is mandatory every twelve months and was completed with the staff from Orama, Repton and Crossmaglen.

Differentiation Conference – On Friday the 19th and Saturday the 20th Katrina Meenahan attended a Differentiation Conference called 'Ignite the Spark' at the University of NSW in Sydney. This was an exciting and interesting conference and there were many ideas and suggestions that as a staff we will work on together, allowing us to tweak the differentiation that we are using and making it even better.

Finance Course – Mrs Jones and Mrs Meenahan will be attending financial training this Tuesday and Wednesday, which will further develop our financial literacy skills.

Library Tomorrow Wednesday

Library is on Wednesdays and students are allowed to borrow three books. They will need to bring a library bag to take the books home in. Students will receive a 'Smiley' for returning books and there will be a special 'Smiley' draw for library each week.

Dear Parents and Community Members,

Thank you to all of our families who have already paid their 2016 school fees. We have had a lot of positive feedback about the one-off free shirt with payment of the 2016 fees.
