## Urunga Sculpture in the Park

On Sunday our fantastic sculpture "Flower Cycle" was on display for the Sculpture in the Park exhibition in Urunga. The judges praised our school's effort and many people commented on how colourful and interesting our sculpture looked. Every student in the school contributed some weaving or painting to the piece. It is great that we can collaborate and include all students.

Dear Parents and Community Members,

We are pleased to tell you that Mrs Meenahan is recovering well from her operation and resting to ensure she is fit and well on her return to school. She would like to thank the parents for their kind wishes over the past week. Both staff and students are looking forward to her return.

## S.T.A.R.T

For our second START session we had Alessandra, Ami and Arlo attend. They played in the classroom, joined a maths lesson and had lunchtime with us at Raleigh. We hope they all loved our little school as much as we do.

## SASS Recognition Week

We would like to thank Mrs Jones, Rom and Amanda for the great work they do around the school.

## Raleigh School's New Website

On Thursday, in the late afternoon, our new look Raleigh Public School website will go live. This will look very different and we ask for your understanding as we go through a period of transition. The new website will appear online instead of our existing website. The website address (URL) has changed. Visitors using the old URL will be automatically redirected to the new site <https://raleigh-p.schools.nsw.gov.au>.

*"Raleigh Public School is a welcoming and friendly school with strong and valued community links."*

### Pyjama Day

Last Thursday for Pyjama Day we raised \$91. It was great to see so many students join in and raise money for the Asthma Foundation. Thank you.

### Ongoing Learning for Teachers

Last week I was able to attend a course in Coffs Harbour about the Learning Progressions. They are a teaching and learning resource that describe how literacy and numeracy learning develops over time. On the day I was able to sit with teachers from our Community of Schools (CoS) and collaborate on the practical tasks.

### Big Write

We are continuing to develop our writing skills with another Big Write which the whole school participated in on Monday. Every student has an individual goal they are working towards to improve their writing and it is great to see the students see the improvements they are making and feel pleased with their own writing.

### Package Free Lunch Winner

Congratulations to *River* who is this week's package free winner.

### Genesis Toormina

Thank you to everyone who voted for us on the Genesis Toormina Facebook page. We are now in the top three for "Moving Matters". For a month we will be participating in fitness activities in order to gain points that could win us \$1000 worth of gym equipment for the school. We have been supplied with a Mizone belt that the kids have been taking turns at, in order to get us points. Points can also be accumulated by Genesis members, and parents are free to trial the coaching zone for free this month - and donate their moves to us! Spread the word and get excited!

### Creative and Critical Thinking

Our CCT Disposition is "I am Reflective": I think about my thinking and I think about my learning.

Scholastic Book Club

You still have a week to place orders via LOOP or return them to school by Wednesday 12<sup>th</sup> September.
