Small Schools' Science Day

Last Wednesday our entire school travelled to Orama Public School, to join Crossmaglen Public in a fun day of science activities. The students rotated around four great workshops and had a fun filled day of learning. We would like to thank Anjali, Ben, Georgie, Craig, Jess, Lissa, Jasmine and Catherine for helping Ms Driscoll, Mr Sherwood and myself to transport our students to and from this great day. Yesterday, our school completed a Big Write about the day further enhancing their learning.

Dear Parents and Community Members,

Yesterday our students drew our winners in our Mega Raffle, which we ran to raise money for the excursions occurring across the school in October. Each child drew at least one ticket. We would like to thank everyone who bought a ticket to support our school and congratulate all of the prize winners! A list is attached to the newsletter with the winner's names. For each book that a family sold, they were given a special ticket into the draw to win a prize for their support. Congratulations to the two boys, who had their names drawn out and for winning some great prizes to keep them entertained at home.

Parent and Teacher Meetings

On Thursday, the 4th of July, both Ms Driscoll and myself will be holding Parent-Teacher meetings with the families from our class. We would like to see every family at these meetings. These are a valuable way of discussing your child's progress one on one with their teacher. Thank you to those families who have already sent back their preferred meeting times. Please complete the sheet attached to the newsletter with your preferences, only those times still available are shown. If these times do not suit, please contact your child's teacher to arrange an alternative time.

Kind Regards, Katrina Meenahan

"Raleigh Public School is a welcoming and friendly school with strong and valued community links."

Masonic Village and PJ Day

Tomorrow, Wednesday, our school will be visiting the Raleigh-Urunga Masonic Village. We will be singing some songs with the residents and enjoying a chat over morning tea. The residents will also be having a PJ day with us. Please do not forget to dress in your pyjamas and bring a gold coin or more as we are raising money for the Asthma Foundation.

Kids in the Kitchen

This Thursday is Kids in the Kitchen. We are all looking forward to another delicious lunch and recess cooked by our students.
