Dear Parents and Community Members,

Sydney Excursion

Next week, students from Years 4-6 will join other students from Orama and Repton schools for a combined excursion to Sydney. A final note has been sent home on Friday, with reminders of what and what not to pack. Please label everything your child is taking. Make sure your child can lift and carry their suitcase. You will need to have your child at Urunga Train Station by **6.30am on Monday 28th October**. The train will depart at 6.50am and we would hate to leave anyone behind.

If you have any questions, don't hesitate to phone or text Katrina on 0403 177 961.

K-3 Excursions

While 4-6 are having fun in Sydney, K-3 will be going to Dolphin Marine Magic on Tuesday by private transport. After the special educational program at Dolphin Marine Magic, we will be travelling to the Jetty Foreshores to enjoy Recess, then travelling back to school in time for afternoon buses.

The full cost of the excursion is \$20 but money raised earlier in the year for the Mega Raffle will be taken directly off each child's cost as shown on the note sent home last week. Please return notes and money, if owed, **by tomorrow**. Thank you.

On Friday we hope to visit the Boardwalk at Urunga. There will be no cost involved and a permission note will be sent home tomorrow.

Robotics in Term 4

This term for our Science & Technology lessons, both classes are exploring robotics and basic coding.

Last week and this week, we have been using the Ozobot Evo's. 3-6 have started to experiment with Ozoblocky.com to try some simple coding.

We are hoping to delve further into coding later in the week.

"Raleigh Public School is a welcoming and friendly school with strong and valued community links."

Woolworths Earn and Learn

Thank you to our school community for supporting the Woolworths Earn and Learn program. Our total points were 13,278 and we were able to purchase: Getting Started with Early Years Technology packs, Pre-Coding Penguin activity cards, First Coding Robot Smart Bricks, Bee-Bot single robots, Robotics Farm Mat, Robotics Australia and New Zealand mat, Blue-Bot – Bluetooth floor robot, Jolly Phonics – Jolly Songs book and CD, Jolly Phonics Letter Sound strips as well as pom poms, polystyrene balls, sequins, coloured straws, pink rhinestones, pipe cleaners and melt glue.

White Cross Dental Clinic

Yesterday some of our students had their teeth checked and cleaned by the White Cross Dental Clinic Service who visited our school. This was an excellent opportunity for our students to receive a free dental check and the results were sent home for further treatment if needed.

Free Hearing Test

During November, Health Mid North Coast will be conducting free hearing tests at school. Permission notes have been sent home. Thank you to those families who have returned their notes so promptly.

This is a great opportunity to have your child's hearing tested. Often children and adults do not realise they have hearing issues as the way they hear is the normal for them.

Advance Notice

Term 4 P&C Meeting will be held on Thursday 7th November at 3.15pm. Look forward to seeing you there.

Kids in the Kitchen

This Thursday we will be holding our first Kids in the Kitchen for the term. Thank you to all of our families who have paid for this week, if your child did not pay, please ensure they have a packed lunch on Thursday. To ensure they do not miss out on the remaining KIK sessions, please pay the remaining \$18.00 by Tuesday 5th November. We look forward to trying new tastes and cooking new meals, as well as some of our favourites this term.

Sporting Schools

Tennis with Eli, from Eli Baylis Tennis Academy, commenced for this term last Tuesday. Eli has a real passion for the game and his coaching sessions are very inspiring.

Students also enjoyed their NRL clinics with Garry and had fun doing cricket on Wednesday.

Regards, Katrina
