Newsletter, Term 3, Week 7

23rd August, 2021

Dear Parents and Caregivers,

As the lockdown continues, we would like to remind families that your child needs to log into Google Classroom each morning and complete the work, so that they can be marked as learning from home. We have created a Daily Check In and this is assisting us in our attendance data.

Thank you to parents who have emailed the school on Raleigh-p.school@det.nsw.edu.au, a photo of your child learning from home.

Mrs Meenahan remains on leave this week and is recovering well from her recent operation.

The school's doors will remain open for those students whose parents are in *essential services* or who are vulnerable. Students attending school are being supervised to complete the same work that is being expected of those students working from home.

This is minimal supervision as staff members are being rotated to work from home.

Congratulations

We would like to congratulate Jimmy, our General Assistant, and Sheridan his wife on the birth of Albie James on the 8th July. They now have three beautiful children.

Kindergarten for 2022

If you know of anyone who might be interested in attending Raleigh in 2022, please pass on our contact details so that they can find out more.

Postponements

Unfortunately, there will be no Kids in the Kitchen this week.

The School Photos which were to be taken on Friday have also been postponed. The photographers will be monitoring the NSW Health advice and will arrange to reschedule when possible.

Free Resources from the Department of Education

We were delighted to receive over 200 decodable readers for use in the classroom for guided reading and also to add to our Home Readers. These have all been accessioned and covered and are ready to be used in the classroom when students return.

Regards, Bernadette Driscoll

"There is nothing like returning to a place that remains unchanged to find the ways in which you yourself have altered."
