

Dear Parents and Caregivers,

As you would have heard we are still in lock down in our area and in Level 4 restrictions. This applies to all regional NSW schools until 11:59 pm **10 September**.

Level 4: Learning from home; parents must keep children at home, schools are open for families who need it.

We have worked closely with NSW Health to develop a framework for COVID-safe school operations. The Department of Education has developed a *Roadmap to return to face-to-face learning* and schools will return to face-to-face learning either through a 'staged return' or 'full return', depending on NSW Health conditions in their area.

Thank you for your patience at this time and taking the time with your children. We are looking forward to having all our students return to face to face learning at Raleigh.

Please ensure that your child logs into Google Classroom each morning and completes the work, so that they can be marked as learning from home. We have created a Daily Check In and this is assisting us in our attendance data.

Threatened Species Bake Off

It was fantastic to see our families get behind the Threatened Species Bake Off for Kik at home last Friday. The photos shared on google classroom were enjoyed by all. To enter the competition you need to upload an image of your baked creation to Facebook, Twitter, or Instagram by using the hashtag #TSBakeOff and tag the Threatened Species Commissioner. If you are unable to enter via social media, please send your submission through to tsbakeoff@environment.gov.au.

Winners of the 2021 Threatened Species Bake Off will be announced on Friday 10 September. The winning entries will be displayed on social media.

By entering the Threatened Species Bake Off you are giving permission for the Department and judges to use the image or video to promote the initiative.

Submissions are open until **5pm AEST Wednesday, 8 September 2021**.

Thank you to parents who have emailed the school on Raleigh-p.school@det.nsw.edu.au, a photo of your child learning from home.

You are all doing a great job in these difficult times.

Mrs Meenahan remains on leave this week as she continues to recover from her recent operation.

A reminder that there is minimal supervision at school, as staff members are being rotated to work from home.

Book Week

Thank you for these great shots. Hope you enjoyed Book Week.
