Dear Parents and Caregivers,

It has been another great week at Raleigh. I would again like to thank all our families for sticking to the guidelines and keeping your children home when they are showing even mild symptoms and having them tested. This is so important so that we try to reduce the impact on all our school community.

There have been a couple of things we have been noticing at school. The first is, a number of students are eating all of their food at our lunch break and have no food left for recess. We have asked these students to talk with their parents but please check with your child that they have enough food for both breaks.

The second thing is, it is cooling off and we have a number of students coming to school with no jumpers. We very often get a cold wind that blows at school across the paddocks, so if your child does not want to wear a jumper when they leave your warm house, please make sure they have one packed in their bags.

Excursion Raffle

Thank you to all the families who sold raffle tickets in our excursion raffle. 93% of families in the K-3 students covered the cost of their excursion later in the year and 90% of our Year 4-6 students reduced their Canberra excursion costs. One student covered the entire cost! The raffle has been drawn today and the winners will be contacted over the coming days.

Kids in the Kitchen

Tomorrow we will be holding our third Kids in the Kitchen for the term. We will be cooking Vegetable Lasagne and Beef Lasagne for lunch and Banana and Oat Cookies for recess. We are looking forward to another great day of cooking. Mr Kearsley is looking forward to seeing the students' skills in action and getting to taste the delicious meals.

Fun at Raleigh

Mr Kearsley has had a great start to his prac at Raleigh. He has also been enjoying playing sport with the students at recess and lunch in the playground.

K-2 Art

The K-2 students have been exploring animal textures in their Term 2 Art unit. Last week they used clay and experimented with making scales of lizards and spikes like echidnas. They loved sharing their ideas about techniques and working outside.

Circus Challenge Workshop

This Friday is the Circus Challenge incursion. The presenters act as ring master to deliver a slap-stick circus show starring student and teacher volunteers. The show is a fantastic opportunity for students to shine in the starring rolls as they assist in performing the main elements of the show. This will be followed by a Circus Skills Workshop.

Regards,
Katrina Meenahan
